Guidelines for completing your application

The research grants are competitive. Proposals are viewed against other proposals submitted. Therefore applicants should prepare their proposals carefully and follow the instructions carefully. The following will be taken into account in assessing proposals:

1. Relevance of the project to the research priorities in the Wet Tropics Management Authority [2010-2014 Research Strategy](#)
2. The feasibility of the project being carried out
3. Quality of the application

Conditions of grants

- Applicants must be able to show proof of enrolment status at an Australian university.
- The project must be carried out within Australia.
- All material published, including thesis document, presentations, journal articles must acknowledge funding and support from WTMA.
- Funds granted must be spent on the activities outlined in the application and as approved by WTMA.
- In the event of cancellation of a funded activity, WTMA must be notified in writing and the unspent funds returned to WTMA immediately.
- A two-page summary report must be provided to WTMA within one month of the completion of the project. If this is not submitted by the student then it will be responsibility of the supervisor. Report to include major findings and outcomes, significance of the project to the management of the Wet Tropics World Heritage Area and further research suggestions.
- The Wet Tropics Management Authority reserves the right to publish the summary report on its website and publications.
