SUPERSEDED

WET TROPICS WORLD HERITAGE AREA

WET TROPICS PLAN

Zoning Map (Northern)

NOTE

Every effort has been made to ensure accuracy of the information contained in these zoning maps (1:250 000 scale) at the time of printing. The location of zone boundaries on the northern and southern zoning maps are indicative for general information purposes. The Zone C width and Zone D size have been exaggerated. Zone boundaries may be modified by subsequent amendments to the Wet Tropics Plan or other management plans prepared under the *Wet Tropics World Heritage Protection and Management Act*, 1993. For the exact location of zone boundaries (at the time of printing), please refer to the more detailed (1:50 000 scale) zoning maps which may be inspected free of charge during business hours at the Authority's Cairns office.

Access to activities within this Area may also be controlled under other laws. Intending users of this area should check with land owners or relevant government land management offices.
