

Register of cooperative management agreements entered into under section 41 of the Wet Tropics Management Plan 1998.

The Register of cooperative management agreements (CMA) contains a record of the active CMAs under the Wet Tropics Management Plan 1998. CMAs in the register are currently in hard copy. Copies of the CMAs recorded in the register may be inspected free of charge, during office hours at the authority's head office or an electronic copy may be requested.
