

Wet Tropics Management Authority 2019 Student Research Grant Scheme

Application form

Guidelines for completing your application

The research grants are a competitive scheme; applicants should therefore follow the instructions carefully. The following will be taken into account in assessing proposals:

- relevance of the project to the 2019 Student Research Grant Scheme Funding Guidelines
- relevance of the project to the priorities of the Wet Tropics Management Authority including: climate change, biosecurity, threatened species, forest rehabilitation, fire management and Aboriginal land management (refer to 2019 Student Research Grant Scheme Funding Guidelines – Appendix 1)
- the feasibility of the project being carried out
- how the project will improve engagement and involvement of Rainforest Aboriginal people in scientific research activities (refer to 2019 Student Research Grant Scheme Funding Guidelines – Appendix 2).

Completed applications are to be sent to wettropics@wtma.qld.gov.au

by **COB Friday 1 March 2019**.

Successful applicants will be notified by 22 March 2019.
