

# Nomination form

## Young Cassowary Award

**Nominations close 19 April 2021**

The Young Cassowary Award recognises the outstanding environmental work of young people of school age (individuals, groups or classes) whether within their school, clubs, or communities. Projects may include, rainforest tree planting, a science experiment/research project, weed control, rubbish collection, multimedia/arts, endangered species awareness, or profiles on the Area's plants or animals.

### Details of nominee

Class
  Group of students
  Individual Student

Name (students, class or group)

Number of students in class or group (if applicable)

Name of school

Teachers name

Phone  Email

Postal address

Has this nominee received a Cassowary Award previously?
  Yes
  No
  Not sure

### Reason for nomination

In relation to the conservation of the local environment write up to 250 words for each criterion (see page 2).

1. What has the nominee achieved?
2. How has the nominee demonstrated creativity, innovation and leadership?
3. How has the nominee's work contributed to the local and broader community?
4. What were the challenges faced by the nominee in reaching their achievements, and how did the nominee overcome these?

Additional information presented in a video, powerpoint presentation or a written report with photos can be provided to support the nomination and explain the project.

Note: Where a previous recipient of a Young Cassowary Award is nominated, contributions and achievements will be considered if:

- they are of a different nature to those recognised by the previous award. In this case, such contributions and achievements could have occurred prior to receiving the previous award and may or may not have continued to date.
- they are a continuation of contributions and achievements recognised by the previous award. However, only the contributions and achievements made since receiving the previous award will be considered.
